**RE: GDF Suez Retail Energy Solutions, LLC d/b/a Think Energy ("Think Energy"); Update to Retail Electric Supplier License Application – (Filed November 15, 2011) - PSC Docket No. 15-1004**

---

In response to State of Delaware Public Service Commission's letter dated June 11, 2015 with respect to the residential customer contract, Think Energy responds as follows:

**Late Fees**

Section 2.1.1.93 of the Supplier Rules provides as follows: **A complete list of any other fees, including any termination penalties, late fees, and interest charges, which can be imposed on the customer, including but not limited to the magnitude of the fees and the specific conditions under which such fees can be imposed.** Page two of the contract states that there will be a late fee but the magnitude of the fee is not listed in the contract. Please revise the contract to include the magnitude of the fee, if the fee is a flat fee or a percentage of the bill needs to be clearly defined.

**Think Energy's Response:**

***You requested Think Energy to include the magnitude of late fees. The intent was not to impose a late fee on the customer, but rather make the customer aware that the EDC may charge a late fee in accordance with their billing policies. We have deleted that sentence to avoid confusion.***

**Relocation**

Section 2.1.1.9.6 of the Supplier rules provides as follows: **A statement informing the Residential or Small Commercial Customer that, because of relocation outside of their current EDC's service territory, he/she may terminate his/her contract with his/her Electric Supplier with no termination fee upon a 30-day notice in writing to the Electric Supplier.** This section of the rules is not reflected in the contract as submitted. Please make revisions to the contract to comply with the relocation section as required in the Supplier Rules.

**Think Energy's Response:**

***You requested Think Energy to include language stating that the customer has the right to terminate without a termination fee if they move outside the EDC service territory. Think Energy does not charge termination fees to our residential customers, so we felt that including the requested language***

***would be confusing to customers. In the case we do later have a product with a termination fee Think Energy is submitting bracketed language that meets the specified requirements.***

Your fixed-rate price and fixed-rate term can be found on your Contract Summary. This Terms of Service Agreement, together with your Contract Summary in writing, by telephone, or through the internet, constitutes your contract for service with Think Energy. Contact Customer Care to request a written copy of the contract documents sent to you by regular mail.

**Purchase and Sale.** Think Energy will sell and supply and you will purchase and receive all electricity necessary to meet your full requirements for your service location.

**Term.** Service will begin on the date of your first meter read following your confirmed enrollment with us by your local utility. Because this date is determined by your local utility, we are not able to commit to a specific start date for your service. If you are a current customer renewing with Think Energy, your new fixed-rate will take effect on the first meter read date following the date your new renewal is processed by Think Energy or at the end of your current fixed-rate term, whichever is later. Upon completion of the fixed-rate term, if you fail to take action, the term will continue on a month-to-month basis based on monthly meter read cycles (referred to as "rollover service") with no change to these terms of service, except the Price will be a monthly variable rate described in the following paragraph. When receiving rollover service, you may cancel this agreement at any time with no cancellation fee. We will notify you of your renewal options between 30 days and 60 days prior to the end of the fixed-rate term.

**Price.** During the fixed-rate term you will pay the fixed-rate price per kWh of electricity consumed. If you are on rollover service, the price will be a monthly variable rate set by Think Energy that reflects the market rate of electricity supply plus Think Energy costs and margin. Taxes and Utility Related Charges are not included in the Price and will be passed through to you. "Utility Related Charges" means distribution charges and related charges from your local utility. "Taxes" means any and all taxes and fees imposed on the purchase and sale of electricity by any governmental authority.

**Switching.** If you switch your electricity supplier, your local utility may apply a switching fee. If you return to your local utility after switching to an electricity supplier, you may or may not be served under the same rates, terms and conditions that apply to other customers served by your local utility.

**Billing and Payment; Consolidated Billing.** You will be invoiced by your local utility showing the charges due for each preceding billing cycle, including the monthly charges for electricity consumption and any other related

charges or fees, plus any Taxes and Utility Related Charges. Your local utility may in some cases use estimated data for billing purposes, but such estimates will be reconciled once the local utility receives final data regarding the actual quantity of electricity consumed for the applicable billing cycle. Payment is due according to your local utility's billing due date. "Billing cycle" means the period between meter read dates. Your local utility and/or Think Energy may offer you budget billing plans.

**Late Fees; Disconnection; Invoice Adjustments.** Your service could be disconnected for failure to pay your bill in accordance with your local utility tariff. Any dispute with respect to an invoice is waived unless the other party is notified within twenty-four (24) months after the invoice is rendered or any specific adjustment to the invoice is made; provided, however, that in the event the local utility adjusts its meter reading for any reason, we may make a corresponding adjustment to the next invoice or issue a separate invoice to reconcile such adjustment.

**Change in Law.** If there is a change in law, ISO zonal boundaries, administrative regulation, or any fees or costs imposed by your ISO or by a governmental authority and such change causes Think Energy to incur any capital, operating or other costs relating to your electricity service, then such costs may be passed through to you.

**Force Majeure.** There may be certain events that are beyond the reasonable control of Think Energy that could not have been prevented by our exercise of due diligence such as acts of God, acts of any governmental authority, accidents, labor strikes, etc. If we are unable to carry out, in whole or part, our obligations under this agreement that may result in interruptions of service due to such an event, we will give you notice and provide full details of the event in writing as soon as practicable after the occurrence of the event. During this period, our obligations will be suspended to the extent required.

**CANCELLATION BY THINK ENERGY.** Think Energy may switch your service to local utility default service upon thirty (30) days prior written notice in the event of any of the following: (a) you fail to make any payment required under this agreement; (b) any representation or warranty made by you in this agreement proves to have been false or misleading or ceases to remain true, or (c) you are deemed ineligible for consolidated billing, or you request dual billing from your local utility. This paragraph does not limit any right of setoff, combination of accounts, lien or other right which Think Energy may have or acquire (through operation of law, contract or otherwise).

**Limitation of Liability.** NEITHER PARTY IS LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES IN TORT, CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE, AND SUCH DAMAGES AND REMEDIES ARE WAIVED.

Miscellaneous. Notices, correspondence, and address changes must be in writing and delivered by regular or electronic mail, or facsimile. Notice by facsimile, electronic mail or hand delivery is deemed to have been received on the date transmitted or delivered (after business hours deemed received on next business day). Each of you and Think Energy will defend the other party from claims, demands and causes of action, and indemnify against any losses, costs, judgments, and damages, asserted against the indemnitee by any person arising from or out of any event, circumstance, act or incident first occurring or existing during the period when control and title to electric energy is vested in such party. No waiver by you or Think Energy of any one or more defaults by the other party in the performance of any of the provisions of this agreement will be construed as a waiver of any other default or defaults whether of a like kind or different nature. Any provision or section of this agreement declared or rendered unlawful by a court of law or regulatory agency with applicable jurisdiction or deemed unlawful because of a statutory change, will not affect the lawful obligations under this agreement. All indemnity obligations will survive cancellation of this agreement. ALL MATTERS ARISING OUT OF, OR RELATING TO THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF DELAWARE, WITHOUT REGARD TO LAWS REQUIRING THE APPLICATION OF THE LAWS OF ANOTHER STATE. Except as specifically stated herein, Think Energy and its successors and assigns make NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE with regard to the services provided or the activities you undertake, pursuant to this agreement. We are solely a counterparty in all transactions with you under this or any other agreement and we have no duty to advise you or exercise judgment on your behalf as to the merits or suitability of any transactions that we propose to enter into with you.

Assignment. You may not assign this agreement or any of your rights or obligations under this agreement without the prior written consent of Think Energy. We may, without your consent (a) transfer or sell our receivables (along with corresponding rights of disconnection), accounts, or proceeds, (b) assign this Agreement to an affiliate of Think Energy or to any other person or entity succeeding to all or a substantial portion of our assets, and/or (c) assign this agreement to a certified electric supplier or affiliated entity. Any assignment in violation of this paragraph is void. After our assignment of this agreement, we will have no further obligations under this agreement.

Changes to Terms of Service. This agreement constitutes the entire agreement between you and Think Energy. No amendment, modification, waiver or change will be enforceable except as outlined in this paragraph. If we wish to make changes to this agreement, we will

first send you a written notice at least 30 days in advance through a separate document or on your invoice. Notice is not required for any changes that benefit you. This written notice will be clearly labeled "Important Notice Regarding Changes to Your Terms of Service." If you are satisfied with the changes, no action is necessary to continue to receive service. If you find the changes unacceptable, you may choose to switch to another supplier before the changes go into effect, without any charge or cancellation fee, however all outstanding balances will still be due. A new Terms of Service will be provided to you whenever a change is made and upon request at any time free of charge.
